

Claim 7, line 2, delete "any of claims 1-4", and insert  
therefor --claim 1--.

Please insert the following new claims:

8. A method of ~~preventing or~~ treating a disorder  
attributable to excessive kallikrein activity which comprises  
administering, to a human or animal subject who would benefit  
therefrom, a kallikrein-inhibitory amount of the protein of  
claim 2. 5

9. A method of assaying for kallikrein which comprises  
providing the protein of claim 2 in labeled or insolubilized form,  
and determining whether a complex of said protein and the  
kallikrein in a sample is formed.

10. A method of purifying kallikrein from a mixture  
which comprises providing the protein of claim 2 in insolubilized  
form, and contacting the mixture with said insolubilized protein  
or analogue so that kallikrein in the mixture is bound.

11. A method of ~~preventing or~~ treating a disorder  
attributable to excessive kallikrein activity which comprises  
administering, to a human or animal subject who would benefit  
therefrom, a kallikrein-inhibitory amount of the protein of  
claim 4. 10

12. A method of assaying for kallikrein which comprises  
providing the protein of claim 4 in labeled or insolubilized form,  
and determining whether a complex of said protein and the  
kallikrein in a sample is formed.
